

HANOI UNIVERSITY

FACULTY OF INFORMATION TECHNOLOGY

CALL FOR PAPERS

18th Student Conference on Information & Communication Technology (SCICT 2026)

May 2026, Hanoi University, Hanoi (Vietnam)

Scope

After the great success of the previous SCICT conferences, we are pleased to announce the 18th Student Conference on Information & Communication Technology (SCICT 2026). This conference provides an excellent forum for students, researchers, and practitioners to present and discuss innovative ideas, emerging technologies, and research findings in the field of Information and Communication Technology.

The SCICT 2026 conference will be held on May 2026, at the Faculty of Information Technology of Hanoi University (HANU).

Topics of interest

The program committee encourages the submission of articles that communicate applied and empirical findings of interest to higher education professionals. Topics of interest include, but are not limited to, the following topic areas:

1) Artificial Intelligence & Data Science

- NLP
- Data Mining
- Machine Learning

2) Systems & Software Engineering

- Software Engineering
- Web Services
- Cloud Computing

3) Emerging & Interdisciplinary

- Biomedical IT
- HCI
- Fuzzy Logic

Publications

All accepted papers will appear in the conference proceedings and be available on the FIT portal of Hanoi University.

Important Dates

Submission deadline: April 22nd, 2026

Author notification: April 30th, 2026

Conference date: May 2026

Awards

The SCICT Program Committee will select the winners for the Best Student Paper Awards and Best Poster Awards.

Submission guidelines

Students of the Faculty are invited to submit original and unpublished papers, which are not under review in any other conference or journal. All papers will be peer reviewed by the program committee based on their originality, significance, methodological soundness, and clarity of exposition.

Submitted papers must be written in English and should be in Microsoft Word format. They must follow the instructions given by Hanoi University (attached file).

Submissions must be between 7 and 10 pages (A4 size), incorporating the title page (title, abstract and keywords), all text, references, figures and tables. Papers that do not comply with these guidelines (e.g., exceeding page limits, incorrect formatting) may be rejected without review.

Submissions imply the willingness of at least one author to register, attend the conference, and present the paper.

Authors' papers should be submitted by emailing to the address **tungvns@hanu.edu.vn**.

The organizing committee looks forward to welcoming participants to a productive conference featuring engaging discussions and meaningful academic exchange.

Why you should attend?

SCICT 2026 offers a valuable opportunity for students to engage in academic research and professional development:

- Present your research in a formal academic environment
- Receive constructive feedback from experienced reviewers and faculty members
- Enhance your academic profile and strengthen your CV
- Compete for Best Student Paper and Best Poster Awards
- Have your work officially published in the conference proceedings
- Connect with peers and expand your academic network

We warmly invite you to join SCICT 2026 and contribute to a dynamic and inspiring research community.
